29th June 2026

NOTICE

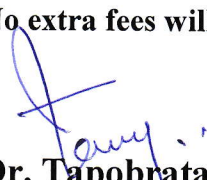

All 3rd year B.Sc (Hons) in Interior Designing students are hereby informed that a **Short-Term Certificate Course on "3ds Max for Interior Design: Advanced Modelling & Lumion Workflow"** will commence from **15th July 2026**.

The programme has been specially designed to introduce students to professional 3D modelling workflows used in the Interior Design industry, with a focus on advanced modelling, furniture creation, scene preparation, and integration with Lumion for visualization. The course will be conducted over a total duration of **22 hours**, as per the schedule circulated by the School.

Important Instructions

1. **Participation in the course is mandatory** for all students of the 3rd year B.Sc (Hons) in Interior Designing.
2. Students are required to attend all scheduled sessions and actively participate in classroom exercises, assignments, project work, reviews, and presentations.
3. A **Certificate of Completion** will be awarded only to those students who successfully fulfill the prescribed attendance, participation, and course-completion requirements.
4. Students who fail to meet the required standards of attendance, participation, assignment submission, or project completion shall **not be eligible for the award of the Certificate of Completion**.
5. Students are advised to maintain regular attendance and adhere strictly to the course schedule to derive maximum benefit from the programme.

No extra fees will be charged for this short term course.

Dr. Tapobrata Ray
Principal, J.D. Birla Institute
