6<sup>th</sup> August 2026

## NOTICE

All students of 4<sup>th</sup> year B.Sc (Hons.) Textile & Fashion Technology and 2<sup>nd</sup> year M.Sc in Textiles & Clothing are hereby informed that a Short-Term Certificate Course on "**CLO 3D: Digital Garment Design & Visualization**" will commence from 8<sup>th</sup> August 2026.

The course has been designed to introduce students to industry-standard 3D garment design, virtual prototyping, garment fitting, simulation, and digital presentation techniques using **CLO 3D**. The total duration of the course will be **30 hours**.

### Important Instructions

1. Participation in the course is **mandatory** for all eligible students.
2. Students must attend all scheduled classes and complete the required practical exercises and assignments.
3. A **Certificate of Completion** will be awarded only to students who successfully complete the course requirements.
4. Students who do not meet the required attendance (minimum 65%) or fail to complete the prescribed work will not be eligible for the certificate.
5. **No extra fee** will be charged for this Short-Term Certificate Course.

This program aims to enhance students' digital fashion skills and improve their readiness for careers in the fashion and apparel industry.

**Dr. Tapobrata Ray**  
Principal, J.D. Birla Institute
